

Moving Tips!

One-Month Before Moving Day

- Call **Lifetime Moving Co.** for a free moving estimate and book your moving day
- **Order moving boxes** and packing supplies
- **Begin packing.** Clearly label boxes with name, contents, and destination for the box (i.e. "DR" for Dining Room, "MBR" for Master Bedroom)
- Sort, discard, and donate unwanted items
- **Confirm** (if necessary) elevator, loading dock, and parking reservations/parking permits for moving day at both current and destination addresses

NOTIFY

- Post office
- Doctors, dentists and other health service providers
- Human resources and/or payroll department at work

Two Weeks Before Moving Day

- Make arrangements for disassembly of specialty items (pianos, swing sets, etc.)
- Make arrangements for child care and/or a pet sitter for moving day
- Arrange for time off from work to prepare for the move and to be present on moving day

NOTIFY

- Telephone (landline + mobile) company
- Cable/Internet Service Provider
- Electric
- Gas/Oil (also, schedule gas appliances to be disconnected)
- Water
- Home security/alarm

One Week Before Moving Day

- Pack fragile and loose items from drawers into moving boxes
- Confirm your moving day and time with **Lifetime Moving Co.**
- Remove all permanently affixed items that you wish to take from walls and ceilings (drapes, lighting fixtures, ceiling fans, etc.)
- Change address with all newspapers, magazines, and other periodicals to which you subscribe

1 Day Before Moving Day

- Consolidate clearly marked moving boxes of fragile items in one area of your home. Alert the movers about these moving boxes on moving day.
- Identify furniture that is fragile or has been weakened by previous damage and bring it to your movers' attention on moving day.
- Separate and mark items not intended to be moved by your movers.
- Isolate checkbook, keys, passports, plane tickets, cash, credit cards, and prescription medications. Keep these with you on moving day.
- Defrost, drain, wash, and dry refrigerators and freezers.
- Drain gasoline and oil from lawn equipment: mowers, generators, snow blowers
- Disconnect propane tank from gas grill. Your movers will not be able to transport the tank on moving day.
- Clear walkways and driveway during inclement weather.
